

Tertiary education

About us

BGIS is a leading provider of facility management services, project delivery services, energy and sustainability solutions, asset management, critical environments, real estate services and integrated trades services.

Our talented team of over 2,500 people operates across Australia and New Zealand.

Our clients are from a diverse range of sectors, including defence, justice, government, education, healthcare, utilities, finance, telecommunications, property, resources, oil & gas and sport & leisure. We manage over 100,000 client locations, totalling more than 570 million square metres in a portfolio of corporate offices, retail, universities, schools, hospitals, housing, venues & stadiums, institutions, bases, remote townships, warehouses, industrial assets and data centres.

Partner with our technical services

BGIS provides a full spectrum of building services with delivery customised to each educational institution's requirements. Leveraging our expertise, we'll assist you in assessing, planning and implementing sustainable practices that result in operational efficiency, drive innovation and support ongoing day-to-day facility management.

Draw upon BGIS' qualified teams of client-designated and mobile tradespeople who specialise in HVAC, plumbing, electrical, refrigeration, EV equipment and handyman services. Our safety focused, highly responsive and efficient teams are trained to understand the unique needs of each client's environment.

BGIS delivers specialist services as:
