About us

HIX Group is an integrated trades services business in Greater Western Sydney, New South Wales. Our team delivers comprehensive trade solutions across multiple divisions including, electrical and data services, plumbing services, HVAC, civil services & ITS, fire protection, and Security and CCTV solutions.

Hix Group is part of the BGIS organisation, a leading provider of facilities management services, project delivery services, energy and sustainability solutions, building performance management, workplace advisory and management, real estate services and trades services.

Our services

We offer a wide range of services to meet the diverse needs of our clients:

Plumbing services

Maintenance, project installations, drainage, gas fitting, hydraulics, and roof plumbing.

Electrical & data services

Maintenance, project installations, and ASP-level electrical services.

Fire protection services

Inspection, testing, maintenance, consultation, and certification of fire systems.

Civil services & ITS

Intelligent Transport Systems (ITS), minor civil works, and specialised projects.

Security & CCTV

Installation and servicing of security systems, and CCTV solutions.

Air conditioning

Heating, ventilation, air conditioning, cooling and refrigeration (HVAC-r).

Our areas of expertise include, but are not limited to ground-up construction, refurbishment of existing sites, and ongoing programmed and reactive servicing in all areas of commercial, industrial, and government utilities and facilities.

Representative experience

We have a long-standing history of working with a diverse client base, across a wide range of sectors.

HIX Group delivers multiple trade services, including electrical, mechanical, fire, plumbing, HVAC-r and civil service delivery across more than 200 sites and buildings located in the western suburbs of Sydney and has worked with Penrith City Council for over 20 years.

We recently secured a three-year contract with Cumberland City Council to deliver multiple trade services including electrical and plumbing services to over 200 sites.

Having a strong footprint in the aged care sector, Hix Group provides electrical, fire, HVAC-r and plumbing services to Keyton Retirement.

At Western Sydney University, Hix Group is responsible for delivering electrical, plumbing, and civil services across multiple campuses.

HIX Group has secured a four-year contract to provide electrical services across Sydney University campus throughout the Sydney Region.

We are responsible for delivering electrical, plumbing, and HVAC services to over 200 Schools Infrastructure sites in the Sydney Region.

HIX Group has over a 30-year relationship with Penrith Rugby League Club delivering electrical, fire, and plumbing services and is committed to supporting the Western Sydney community.

For over 20 years, Hix Group has worked with FAL Constructions self-delivering multiple electrical projects across a broad range of projects, including education, commercial, and health.

Our strong relationship with Fulton Hogan showcases our project delivery capability across electrical, fire, plumbing, and HVAC services.

SAFER TOGETHER

Hix Group prioritises the safety of our people, vendors, clients and the communities in which we operate, through living our core safety values together. Our goal is to drive a culture of zero injuries, as a result of our activities and operational performance.
